# Alaska and DACA: The Facts

## National DACA Statistics

### Young People Thrive Economically, Educationally

A recent nationwide survey finds that after receiving DACA, recipients moved to jobs with better pay (63 percent), gaining greater access to employment that matches their education and training (49 percent) and to jobs with better working conditions (48 percent).7

### The Public Supports DACA

An April 2017 survey of registered voters found that 78% of American voters support giving Dreamers the chance to stay permanently in America, including 73% of Trump voters. Only 14% of all voters (23% of Trump supporters) believe Dreamers should be deported.8
